

Oregon Credit Unions Support Financial Education in High Schools

SB3

Advocacy is a journey; a journey Oregon credit unions are all in for when it comes to helping high school students – our future leaders – manage their money.

Travel with us on the route to pass SB3.

Oregon Senate Bill 3 will set students on a path toward higher education, career skills, and personal financial education.

1

September, 2022

Oregon Dept of Education releases Community-Informed Recommendations for Equitable Graduation Outcomes. The need for financial education and life skills training was clear!

2

Oregon Credit Unions Respond!

CUs engage with GoWest Credit Union Association's State Issues Work Group to make recommendations. Oregon Governmental Affairs Committee approves.
